AMEND Senate Bill No. 1116*

House Bill No. 2035

by deleting in Section 3, subdivision (10) and by substituting instead the following language:

(10) "Paid fire department" means when ten (10) or more professional employees, as defined in this part, are paid to work in a municipal fire department.

AND FURTHER AMEND by deleting SECTION 3, subdivision (12) and by substituting instead the following language:

(12) "Professional employee" means any person actively employed by a fire department of a municipality as a full-time paid fire fighter or as a full-time paid EMT or other emergency medical personnel and excluding all other employees for the fire department including, but not limited to, all management and supervisory, clerical, dispatch, maintenance personnel as well as all temporary, part-time, seasonal, leased, and volunteer personnel. As used herein full-time shall mean an individual working no less than fourteen (14) days and 160-hours per month and who have been employed by the department for at least ninety (90) consecutive days.
